# ¡KNOW YOUR RIGHTS!

**REGARDLESS OF YOUR IMMIGRATION STATUS, YOU HAVE RIGHTS.**

## DO NOT OPEN THE DOOR

**Communicate through the window or door and ask for identification.**
**Officers can only enter your home with a valid warrant or your permission.**
**A warrant must be:**

- Signed by a judge, justice of the peace, or magistrate
- Declare the address to be registered
- Declare in detail the area to be registered

## STAY QUIET

**Anything you say can be used against you. To remain silent, say out loud that you are not going to answer questions, sign any documents, and that you have the right to talk to a lawyer. Don't run.**

## DOCUMENT WHAT HAPPENED

**Inform the agents that you are going to use your right to record. Take photos, and record the encounter. Write down everything that happened. Share that information with a lawyer if someone is detained.**

## MAKE A PLAN

**If immigration detains a loved one, find a trusted attorney, collect legal documents, make a childcare plan to fight the immigration case.**

- If you have a pending immigration process make sure to carry a copy of your receipt notice.
- If you have a final order of removal you can express a fear of returning.
