RE: Evaluation of KISU-FM, Compliance with Selected Communications Act and General Provisions Transparency Requirements (Report No. ECR2414-2417).

Jamon Anderson,

The evaluation referenced above concluded that KISU-FM was compliant with select requirements in the Communications Act of 1934, as amended, and in the General Provisions and Eligibility Criteria governing the 2024 community service grant awarded it by the Corporation for Public Broadcasting. Specifically, KISU-FM was compliant with all five applicable requirements.

We agree with those results and require no additional action be taken.

Kind regards,

Jackie J. Livesay
