Message from LRSD Board President

This message is to inform you that our Superintendent, Dr. Jermall Wright, has submitted his resignation. On behalf of the School Board, I want to extend our deepest gratitude for his years of dedicated service to our District, and commitment to our students, staff, families and school community. Under his leadership, we have made significant strides and his dedication to fostering a positive and inclusive learning environment for all students has been unwavering. We are grateful for the many contributions he has made to the Little Rock Community.

As we begin the process of identifying and transitioning to new leadership, I want to reassure you that the School Board remains fully committed to the continued success of our District, students, and staff. We are actively working to ensure that a new superintendent is named in a timely manner and are in the process of outlining a comprehensive transition plan.

Your ongoing support is invaluable as we move forward together, and we remain dedicated to providing the highest quality education for every student we are fortunate to serve in the Little Rock School District.

Sincerely,

Michael Mason President
