Extend your vacation with

Optional 4 Days 3-Night Paris Post Tour Extension

Per Person Rates: $1,499.00 USD double, $2,199.00 USD single, land only

4 Meals: 3 Breakfasts, 1 Dinner

Day 10: London - Paris, France

Head to the train station* and zip through the underwater tunnel that runs beneath the English Channel – known commonly as the "Chunnel." In less than 3 hours, you'll be in Paris, the "City of Light." Be swept off your feet as the Paris of your dreams comes alive, joining a local expert to get to know the area surrounding your hotel on the way to a bistro dinner at the base of the Eiffel Tower and then relaxing on a sightseeing cruise, passing by illuminated landmarks as you drift softly along the Seine. *Today dinner will be included.*

Day 11: Paris

Use the Métro underground system** like a local, giving you the freedom to set off later as you wish. First stop – the hip neighborhood of Montmartre. Blending artistic roots and quirky modernity, this 18th *arrondissement* neighborhood is home to classical painters and cultural provocateurs. Venture into the Musée de Montmartre and glimpse the roots of cabaret and the lives of Paris' most famous artists and take advantage of time at leisure to explore on your own. Perhaps you'll browse the shops of L'Opéra District, where you'll have time to peruse luxury Parisian retailers or take a stroll down the Champs-Élysées and pause at a local café for some people watching. *Today breakfast will be included.*

Day 12: Paris

It's your last day in Paris – how will you spend it? Perhaps you'll explore *Le Marais*. This trendy district abounds with winding streets, gorgeous old mansions, and independent boutiques. Meander through the flourishing trees and bright grassy patches of Place des Vosges, the oldest planned town square in all of Paris. Or maybe you'll stroll down to the *Île de la Cité*, the island set in the heart of Paris to take in the progress of restoration efforts of the awe-inspiring Notre Dame Cathedral. No matter how you spend your day – you'll get a true taste of the Parisian lifestyle. *Today breakfast will be included.*

Day 13: Paris - Extension Ends

Wish Paris goodbye as you transfer to the airport for your flight. *Today breakfast will be included.*

Please Note:

**Using the Paris underground system requires the ability to negotiate 2 to 3 flights of stairs and agility to step on and off moving escalators. Seating is not guaranteed in the Métro as it's available on a first come, first served basis. In case seats are not available, the ability to stand in a moving vehicle is required (handrails are available). Only 3% of the underground stations are wheelchair accessible.

During this extension, you can expect to have a **hosted** experience or two. A Hosted Extension is great for travelers who like to spend full days exploring places on their own by foot or public transportation. A dedicated Tour Manager will not be present during this extension.

*Travelers are responsible for handling their own luggage when getting on and off the train.

Single accommodations are limited and are available on a first come, first served basis.

Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

We reserve the right to cancel this extension if a minimum of 4 passengers is not met to operate.

Due to fair periods in Paris, the rate of this extension may be higher on certain dates. Please inquire about rates and availability at time of booking.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Effective for travel in 2024, all visitors who do not need a visa to enter Europe will be expected to apply for an ETIAS visa waiver, for a fee, when visiting a Schengen Area Country. To identify Schengen Area Countries and to complete the ETIAS application, please visit https://www.etiasvisa.com/

The overall activity level of this extension is a level 3. This means walking and standing for longer periods of time (2-3 hours) isn't a big deal for you. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. Walking four miles over the course of a day is very doable as is climbing 3 flights of stairs. You can handle altitudes between 6,000 and 9,000 feet. You can expect some longer days balanced with free time. This level is not a fit for travelers that require mobility assistance devices.
