DATE: September 17, 2019

TO: All Campuses/Departments

SUBJECT: Acceptable Forms of Identification for Accessibility

The following forms of individual identification will be accepted by all district campuses and departments effective immediately for accessibility to a campus. However, a driver's license or state issued ID will be **required** by any individual to be processed for clearance through the district's Raptor system. Once an individual is cleared through the Raptor system, those individuals will be allowed to enter the facility. Any individual who does not have clearance, will have limited access.

- State issued Driver's License or ID Card;
- United States Passport or Passport Card;
- United States Military ID Card;
- United States Diplomatic License;
- Foreign Passport;
- Foreign Driver's License;
- Foreign Military ID Card;
- Diplomatic, Consulate, or Embassy ID Card;
- Matricular Consular ID Card.
