Dear Hanover-Horton Families,

In an effort to keep you informed of the situation involving one of our teachers and allegations made against him, I want to provide you with this update. Last Thursday, the District received a formal complaint outlining allegations against Mr. Stewart. As we work through the allegations, various reports, and conduct our own investigation into the complaint, Mr. Stewart has been placed on a non-disciplinary paid administrative leave.

At this point, the District will move as quickly as we can while performing a thorough investigation. We have been in contact with legal counsel throughout this process and will continue to follow their guidance. Placing an employee on leave is not a statement of guilt or innocence on behalf of the District. In order to protect all involved and maintain the integrity of the investigative process, we will not be making regular statements regarding the progress of the investigation. However, we will share the final results once they are completed.

If you have any questions or concerns, please feel free to contact me either by phone, 517-563-0100, or email, john.denney@hanoverhorton.org.

Thank you,

John Denney, Superintendent
