

BUT WHY

A Learning Guide

Best for Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

What happens to the forest after a fire?

BIG QUESTION: What happens to the forest after a big fire? - Abby, 5

Draw about a time you observed extreme weather, like forest fires, as part of nature's process. After the weather passes, what do you imagine the landscape will look like as it regrows?
