

BUT WHY

A Learning Guide

Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

Why do baby teeth fall out?

BIG QUESTION: Why do you not lose your adult teeth? - Lucy, 7

Draw your teeth: each tooth, enamel, and gums.

K (Know). This podcast reminds me of:

W (Want to know). I want to know:

L (Learned). In the podcast I learned:

Draw or write in the boxes.

Ask an expert. Who?

Find a safe source. Where?

What will you ask?

What other questions do you have about this topic? How will you find the answer?
