

BUT WHY

A Learning Guide

Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

Why do ladybugs have spots? Do dragonflies bite?

BIG QUESTION: Why do ladybugs have spots? - Zoe, 4

How does an insect's body allow them to crawl on the ceiling and upside down?

Draw an insect. Look closely at the insect's colors and patterns. Does the insect make a unique noise?

Draw or write in the boxes.

Ask an expert. Who?

Find a safe source. Where?

What will you ask?

What other questions do you have about this topic? How will you find the answer?
