

BUT WHY

# A Learning Guide

Kindergarten to Grade 3

*But Why* is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

## Why Are Whales So Big?

**BIG QUESTION:** Do whales have belly buttons? - Olive, 5

Fossils tell scientists stories about how whales have become so large through evolutionary history. Tell a story about a whale or a mystery that you had to solve using clues like fossils.

Draw or write  
in the box.

Ask an expert. Who?

Find a safe source. Where?

What will you ask?

What other questions do you have about this topic? How will you find the answer?
