

## Seoul Mama

July 13 ·

Seoul Mama is deeply committed to the safety and health of the community and our employees so we are doing our absolute best to keep everyone safe.

Yesterday night, we received word that one staff member might have been exposed to Covid-19 INDIRECTLY (through a second degree of separation.)

They WERE NOT IN DIRECT CONTACT with the known positive case. They did not meet the known positive case.

The known positive case has no symptoms; the staff member also has no symptoms, and the entire staff at Seoul Mama has no symptoms.

They informed us immediately, got tested yesterday, and are waiting for their results. We are temporarily closing Seoul Mama so all of our staff can get tested ASAP. While we wait for results, we will continue to clean and sanitize our restaurant.

With no indoor/outdoor dining at Seoul Mama and staff wearing masks at work, the risk may not seem so high, but we will not take any chances when it comes to health and are taking extra precautions.

Take care and stay safe everyone 

We will be back! Thank you always - Seoul Mama
