Dear [Name],

Welcome to the General Manager’s Newsletter.

Broadcasting. The program culminated in a virtual showcase on August 25 that drew hundreds of attendees. Together with five other podcasts from public media stations across the country, The Modern West Podcast participated in the PRX Podcast Nerds weeklong event. The Modern West Podcast, completed an intensive podcast accelerator program through PRX, supported by the Corporation for Public Broadcasting. The program culminated in a virtual showcase on August 25 that drew hundreds of attendees.

Savannah Maher’s feature story about two Montana tribes helping restore buffalo populations and transfers to wildlife refuges. It airs on the first Friday of every month.

Along the way, the series will take listeners on a journey from historical ghost towns to present-day Western towns that are reinventing themselves. Savannah Maher’s feature story about two Montana tribes helping restore buffalo populations and transfers to wildlife refuges. It airs on the first Friday of every month.

The program that followed in the spirit of A Prairie Home Companion with Garrison Keillor, was The Modern West, hosted by Melodie Edwards. For 16 weeks, this program delved into the complex issues arising from the pandemic and its effects on the American West. The series culminated in 3 or 4 full on-air fund drive days to reach the goal. Pet Wednesday will be back in September.

As always, stay safe and be well.

Please feel free to contact me with any questions or comments at ckuzmych@uwyo.edu. The whole show—BEHIND THE SCENES

Behind-the-scenes information about the One Small Step: Courageous Conversations program. This week’s episode featured the third installment of the series, which explores the role of perspective and narrative in shaping our understanding of history.
